## Our Guide to Residential Mortgage Rates

Rates effective from 01 April 2025

### New House Purchase, First Time Buyers & Existing Borrower Products

Thinking about moving or buying your first home? We are here to help you with our range of mortgage products. We consider you a First Time Buyer if you're buying a property you plan to live in as your main residence and you've never owned a property before. We offer residential House Purchase and First Time Buyer products up to 95% loan to value (LTV) (75% in London & SE England).

**If any part of your mortgage is Interest Only repayment type, the maximum LTV we offer is 75%. In addition, a product must be selected from the Interest Only product range.**

#### House Purchase: 2 Year Variable Discount Mortgages (until 01 June 2027)

The interest rate you pay will track the Society's Standard Variable Mortgage Rate (SVR), currently 7.64%, less the agreed discount throughout the length of the deal. When this period ends you will then move on to the Society's Standard Variable Mortgage Rate (SVR) until the end of the mortgage.

**Early Repayment Charges (ERCs) are applicable on this product.**

**This will be 0.5% before 2 June 2026 & 0% before 2 June 2027 of the amount repaid.**

**Full details will be provided in your Mortgage Illustration and Offer documentation.**

We offer residential remortgages up to 90% loan to value (LTV) (75% in London & SE England).

**If any part of your mortgage is Interest Only repayment type, the maximum LTV we offer is 75%. In addition, a product must be selected from the Interest Only product range.**

## Important Information

**In Area** This includes; Cumbria (CA and LA postcodes), South West Scotland (all DG and TD9 postcodes), North Lancashire (all PR, FY, LA, BB1-BB3 and BB5-BB7) & West Northumberland (NE45-49). Postcodes beyond these are considered 'Out of Area'.

**Loan To Value (LTV)** Loan to Value is the size of your loan as a percentage of the value or purchase price of the property, whichever is lower.

**Annual Percentage Rate of Charge (APRC)** APRC figures provide an indicative guide to help you compare the costs (including other charges) of different mortgage products. We have worked out the APRCs on our products on the assumption that, after the initial discount or fixed period ends, our current Standard Variable Mortgage Rate (SVR) will apply.

**Early Repayment Charges (ERCs)** This is a charge you may have to pay if you repay your mortgage early, move to another lender during your initial discount period or overpay more than you are allowed under the terms of your mortgage. Where the ERC period has expired, unlimited overpayments can be made.

**Overpayments** You can repay lump sums without any early repayment charge, up to 10% per annum each financial year (1 April – 31 March) of the outstanding balance as at 1 April each year – full details will be found in your Mortgage Illustration and Offer documentation.

**Product Fee** (We call this an arrangement fee) You can add the arrangement fee to your mortgage (if applicable), or pay it at the time of your application, subject to the maximum LTV.

**SVR Rate** The Society's Standard Variable Mortgage Rate (SVR) can be changed at the discretion of the Society. Full details can be obtained from the Society's Mortgage Conditions booklet, a copy of which you will receive with your Mortgage Offer.

**Other Lending Fees / Funds Transfer Fee** We electronically transfer the mortgage funds to you or your solicitor. This fee of £20 is normally deducted from the loan. For Additional Borrowing, there is a fee of £175, normally deducted from the loan.

**Repayment (Capital & Interest) Mortgage** This type of mortgage involves paying back the interest and part of the capital on a monthly basis until the entire amount borrowed is eventually paid back over the mortgage term. You have the reassurance that your mortgage will be repaid in full at the end of the term, as long as you make all your monthly payments on time.

**Interest Only Mortgage** With an interest-only mortgage you make a monthly payment to us to cover the interest on the loan. Providing you keep up your monthly payments, the loan amount will remain the same and the interest is payable on the total amount of the loan for the whole of the mortgage period. To repay an interest-only mortgage you will need to ensure you have a suitable repayment strategy to pay off the mortgage at the end of the agreed term.

**Part & Part Mortgage** This type of mortgage is split between two repayment methods – interest only, and repayment (capital and interest). So you'll pay off some of the capital through your monthly payments, but not all of it. You'll still owe some capital once your mortgage has come to an end.

**Free Valuation** This valuation is for mortgage purposes only. You will not be charged for the valuation of your property (up to a maximum loan size of £750K).

**Free Legal Fees** There is no charge for standard legal conveyancing provided you use Cumberland Building Society conveyancing service (up to a maximum loan size of £750K). Legal costs are payable if your remortgage application is classified as Non Standard e.g. Unencumbered property, Deed of Postponement and Transfer of Equity.

**Cashback** If a cashback is applicable to your product, this amount will be payable to your conveyancer on completion of your mortgage.

## Product Switch & Additional Borrowing Products for Existing Customers

**Product Switch:** Existing mortgage customers can switch to a new deal with rates as good as, or better than, those available to new customers.

When you can switch depends on how long you have left before your current deal ends. If your mortgage deal has expired and you have already moved onto our Standard Variable Mortgage Rate (SVR), then you can switch now. If you are currently tied in on a discount or fixed rate and have less than 3 months left, you can apply to switch to a new deal now without penalty. However, if your deal has more than 3 months before it expires, whilst you can switch to a new deal, you may need to pay an Early Repayment Charge (ERC).

**Additional Borrowing:** If you already have a Cumberland mortgage you can apply to borrow up to 90% of the value of your home or (75% London & SE England). In addition to any product fees that may apply, there will also be a £175 administration fee payable which will cover the additional legal work required.

**If any part of your mortgage is Interest Only repayment type, the maximum LTV we offer is 75%. In addition, a product must be selected from the Interest Only product range.**

### Product Switch & Additional Borrowing: 2 Year Variable Discount Mortgages (until 01 June 2027)

The interest rate you pay will track the Society's Standard Variable Mortgage Rate (SVR), currently 7.64%, less the agreed discount throughout the length of the deal. When this period ends you will then move on to the Society's Standard Variable Mortgage Rate (SVR) until the end of the mortgage.

**Early Repayment Charges (ERCs) are applicable on this product.**

**This will be 0.5% before 2 June 2026 & 0% before 2 June 2027 of the amount repaid.**

**Full details will be provided in your Mortgage Illustration and Offer documentation.**
