### Definitions

- \* **Gross interest** is the contractual rate of interest payable (without deduction of tax) and you will be responsible for paying any tax you owe on interest as per your individual personal savings allowance.
- \*\* **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year.
- \*\*\* **Tax Free** rate of interest is the rate payable, under current legislation, where interest is exempt from income tax. (Your tax benefits will be lost if your ISA ceases to be tax exempt).

The individual terms and conditions and requirements of all these accounts have not changed.  
For further details, please refer to the Interest Rate Leaflet or speak to a member of staff who will be happy to help.
