CURRENT ACCOUNT SWITCH SERVICE

Switching your bank account to the Cumberland has never been quicker or easier.

Our dedicated local team will take care of everything, making the whole process quicker and easier for you.

Current Account Switch Guarantee

The Current Account Switch Service allows you to switch your current account from one bank or building society to another in a simple, reliable and stress-free way. It will only take seven working days. As your new current-account provider we offer the following guarantee.

- The service is free to use and you can choose and agree your switch date with us.
- We will take care of moving all your payments going out (for example, your Direct Debits and standing orders) and those coming in (for example, your salary).
- If you have money in your old account, we will transfer it to your new account on your switch date.

- We will arrange for payments accidentally made to your old account to be automatically redirected to your new account. We will also contact the sender and give them your new account details.
- If there are any issues in making the switch, we will contact you before your switch date.
- If anything goes wrong with the switch, as soon as we are told, we will refund any interest (paid or lost) and charges made on either your old or new current accounts as a result of this failure.

* The Cumberland does not charge you to use your Cumberland card but the provider of an ATM or retailer may apply a charge

Credit interest rates effective from 01/07/20. (1) You must fund your account with at least £750 per month from an external source (ie. excluding cash, any cheque or an internal transfer from another Cumberland account). Transfers from Cumberland Business accounts will count towards the minimum funding requirement. In the case of joint accounts, one such source of income is acceptable. (2) If you do not meet the minimum funding requirement in a calendar month, a charge of £2 will be applied to the account in the following month. The charge will be applied for every calendar month that the minimum funding requirement is not met. The charge will not be applied if the average balance of your account during a calendar month is £1,000 or above and your account has remained in credit.

Further details of this charge can be found in the 'Account Funding' section of this leaflet on page 14. (3) The Cumberland does not charge you to use your Cumberland card but the provider of a cash machine or a retailer may apply a charge. (4) Gross rate is the contractual rate of interest payable (without deduction of tax) and you will be responsible for paying any tax you owe on interest as per your individual personal savings allowance. (5) Annual Equivalent Rate (AER) illustrates what the interest rate would be if interest was paid and added each year. (6) Effective Annual Rate (EAR) is the actual annual rate of an arranged overdraft. It does not take into account other fees and charges. (7) Internet Banking is a requirement of this account.

OPEN AN ACCOUNT

APPLY ONLINE

Go to cumberland.co.uk and take a few minutes to apply for a Cumberland Plus or Freedom Apprentice current account now.

IN BRANCH

Simply call into or contact your local branch and make an appointment, or book an appointment online with one of our friendly staff. If you are opening a joint account you should both visit the branch.

When opening an account with us, we are required by law to verify your identity. We will do this by completing an Electronic ID search (EID) if you are aged 18 or over.

If EID is unsuccessful, or the results are not sufficient to pass the ID check, we will ask you to provide two forms of identification as an alternative. For customers under the age of 18, two forms of identification will always be required as it is not possible to complete an EID search on customers below the age of 18.

If you are asked to bring physical copies of identification, please bring along two documents (one from each list below).

Proof of identity

Please bring an original of one of the following:

- Valid UK, EU or EEA passport
- Valid International passport
- Valid Full UK Driving Licence
- Valid Provisional UK Driving Licence
- Firearms Certificate or Shotgun Licence
- Birth or Adoption Certificate (under 18's only)

Evidence of your address

Please bring an original of one of the following:

- Valid Full UK Driving Licence
- Valid Provisional UK Driving Licence
- Bank or Building Society Statement issued within the last 3 months
- Council Tax Statement issued within the last 12 months
- Utility Bill issued within the last 12 months (mobile phone bills cannot be accepted)
- Parent or guardian address verification (under 18's only)

Please note: The same ID document cannot be used for both Proof of Identity and Evidence of your address. For a full list of accepted ID documents, please visit cumberland.co.uk/current-accounts/FAQs

If you are aged under 18, documents provided for Evidence of Address can be in your name or in the name of a parent or guardian that lives at the same address.

Proof of Apprenticeship

If applying for a Freedom Apprentice account you will need to bring a letter from your employer/apprenticeship training provider confirming acceptance on an apprenticeship or a copy of an apprentice agreement.

Mobile phone number

To help prevent and identify fraudulent account activity, you must provide us with your current mobile number. Your mobile number will be used by us to

contact you in relation to your account, by phone and/or text, and also for our One Time Passcode service. If you change your mobile number, please tell us of your new number as soon as possible.

Evidence of your income

You also need to bring evidence of your income and your most recent bank statement for a full month for an existing current account (not required for a Freedom Apprentice Account). If you are applying for a Cumberland Day2Day account and you are aged 17-23 and in full time education, you'll need to provide evidence of your attendance at your school, college or university. If you're applying for an arranged overdraft, bank statements for the last three full months will be required.

New customers must live within our operating area to open an account.

Important Note

New Investors. The Society requires new investors to agree to assign any possible future windfall rights, in the unlikely event of conversion to a bank or a takeover, to a charitable foundation. Full details are set out in the Society's new account application form.

IMPORTANT INFORMATION

Account Availability

The accounts described in this leaflet are share accounts, except where shown otherwise. Cumberland Plus is available to personal customers aged 18 or over, Cumberland Day2Day is available to personal customers aged 13 or over. Cumberland Day2Day accounts are only available to customers under the age of 16 where the written consent of their parent/guardian is provided. Customers requiring an account for business purposes, club, society or other similar organisation should contact any Cumberland branch to discuss alternative accounts. Freedom Apprentice account is available to persons aged 16 - 23 years old.

Account Conditions

This leaflet is only a summary of the main features and conditions of our current accounts and eSavings account and is intended to make your choice of product as simple as possible. For additional conditions and details of how your account operates, please read our separate Cumberland Savings & Current Account Terms & Conditions, Cumberland Internet Banking Terms & Conditions and Cumberland Card Terms & Conditions.

Account Funding (excludes Freedom Apprentice Account)

Please note that it is your responsibility to ensure that you pay in the minimum funding requirements each calendar month and we will not write to advise you each month of the amount you have paid in.

If you do not comply with your account's funding requirements, you will incur a charge of £2 for each calendar month in which you do not meet the minimum funding requirement. If you do not comply with your account's funding requirements for a sustained period of time, your account may be transferred to a more suitable account or closed. Before we do this we will write to you to advise you that we are doing this and where relevant, to inform you of the new interest rates that will then apply.

Direct Debit, Standing Orders and Faster Payments

You can make payments to or from your account using these banking systems. For these you should quote the Society's Sort Code 16-52-21 and your eight digit account number shown on your account statement or card, together with any additional information requested.

Fee Information

Most basic account services are free while your account remains in credit. We do, however, make charges for some non standard services. Details of our main charges for account services are set out in our Fee Information Documents and Charges for Account Services document, copies of which are available from any Cumberland branch or via our website. Any charges not in this leaflet will be notified to you when you request the service.

Credit Reference Agencies

We will normally carry out a search at a credit reference agency when you apply to open a Cumberland current account (excludes Freedom Apprentice Account). We will use this with a 'credit scoring' system to help assess your application. We may also give information to credit reference agencies, fraud prevention agencies and other organisations that may record, use and give out information to other financial institutions and insurers. The information may be used to make assessments for credit and all types of insurance (including handling claims) for debt tracing and to prevent money laundering.

They may also make a record of searches against your name. We will give details of how you manage your current account to these organisations.

Arranged Overdrafts

Overdrafts can be arranged but are only available to Cumberland Plus holders aged 18 years or over and are subject to status. If you apply for an arranged overdraft we will consider your financial position. This will include how you have handled your financial affairs in the past, evidence of income and expenditure, the conduct of other accounts, loans or other credit agreements.

We also consider information we get from credit reference agencies, credit assessment techniques for example 'credit scoring', your age and whether

you can afford to repay the arranged overdraft. We may be able to help you if you have difficulty paying back your arranged overdraft but you must talk to us as soon as possible. Details of how arranged overdrafts work can be obtained from any Cumberland branch. You can find out about the rates of interest charged on arranged overdrafts by asking for a copy of our Fee Information Document and Charges for Account Services leaflet, from any Cumberland branch or via our website.

Our Freedom Apprentice and Cumberland Day2Day current accounts do not offer an arranged overdraft facility. These accounts may become overdrawn however as a result of third party service charges made by the Society or you borrow money when there is no money left in your account (or when you have gone past your arranged overdraft limit) and this has not been agreed with us in advance. In these circumstances, no interest will be charged on the unarranged overdraft balance but a charge will be made by the Society for any Visa transactions paid against an unarranged overdraft balance.

Unarranged overdrafts and bank charges

If you use a Cumberland current account to make payments when:

- There is a lack of funds in your account and you have not agreed an arranged overdraft with us in advance; or
- The payment takes you over the limit of your arranged overdraft;

you may have to pay charges as a result.

Please visit our website:

www.cumberland.co.uk or ask a member of staff for examples of our charges for making payments when you have insufficient funds in your account.

We have developed these examples with relevant regulatory bodies and leading consumer groups to help you think about how changing the way you use your account can affect the amount we may charge you.

Statements

If you register for Internet Banking, your statements will be provided online and we will not send you any paper statements. If you do not register for Internet Banking, we will send you a paper statement at least once every month. Unless stated otherwise, monthly statements are available shortly after the end of each calendar month.

Authorised Push Payment Reimbursement

Due to banking rules from the Payment Systems Regulator as of Monday 7th October 2024, all individuals, microenterprises and registered charities that have fallen victim to an Authorised Push Payment (APP) fraud – either by a Faster Payment or a CHAPS – can claim reimbursement for that fraud.

There are several exclusions to these rules, including where a customer has made a false claim or where the customer has failed to comply with the consumer Standard of Caution. The consumer Standard of Caution requires customers to:

- Have regard for interventions given by us, as your payment service provider, or provided by a national competent authority such as the Police;
- Promptly report to us upon learning of the scam (no later than 13 months after the fraudulent transactions);
- Comply with any appropriate information requests from The Cumberland to support the assessment of the claim;
- Report to the Police or allow us to report it on your behalf.

IMPORTANT INFORMATION

Civil disputes and any payments sent or received by credit unions, municipal banks and national savings banks are also not covered by the mandatory reimbursement scheme. If you believe that you have been a victim of APP fraud you should contact our Customer Care team immediately on 01228 403 141 between 8am and 7pm or visit your local Branch, and if this is a scam we will reimburse you.

Each claim will be considered on a case-by-case basis. For more information on eligibility for reimbursement, and on APP reimbursement in general – including fraud prevention advice - please look at our website: cumberland.co.uk/fraud-protection

Complaints Procedure

If we do not deliver the standard of service you expect, please let us know. We will investigate the circumstances as soon as possible and, if something has gone wrong, we will try to put it right. If you'd like to make a complaint, please contact your local branch or Customer Care on (01228) 403141. If you are not satisfied with our response, please ask for a copy of our leaflet "Our Complaints Procedure and the Financial Ombudsman Service" which is available from our website (www.cumberland.co.uk), from Customer Care or from any of our branches.

The Financial Ombudsman Service

We are covered by the Financial Ombudsman Service. If you have complained to us and we have been unable to resolve your complaint, you may then be entitled to refer it to this independent body at: The Financial Ombudsman Service, Exchange Tower, London, E14 9SR. Telephone 0800 023 4567 or 0300 123 9123.

Or log onto their website at www.financial-ombudsman.org.uk

The Financial Services Compensation Scheme

Your eligible deposits with Cumberland Building Society are protected up to a total of £120,000 by the Financial Services Compensation Scheme, the UK's deposit protection scheme. Any deposits you hold above the limit are unlikely to be covered. Further information is available from any Cumberland branch or by visiting www.fscs.org.uk.

Online Dispute Resolution

The European Union has an Online Dispute Resolution (ODR) platform which may assist consumers in resolving disputes about online services. The ODR platform can be accessed at <http://ec.europa.eu/consumers/odr/>

What is the Current Account Switch Service?

It's a free service that lets you switch your current account from one participating bank or building society to another. It has been designed to be simple, reliable and hassle-free and is backed by the Current Account Switch Guarantee.

Can I switch my account on a date that suits me?

Yes, you can choose and agree a date with your new bank or building society and the process will start 6 working days before that date. (Working days are Mon - Fri excluding bank and public holidays.)

What happens to payments that people send to my old account?

The Current Account Switch Service will redirect payments to your new account.

Can I prevent my new account details being given to someone who sends one-off payments to my old account?

You may be able to transfer your payments to your new bank without redirecting payments from your old account, and you should discuss this requirement with your new bank.

What happens if there is a mistake or unnecessary delay in the current account switching process?

The Current Account Switch Service is backed by the Current Account Switch Guarantee. This guarantees that any charges or interest incurred on your old or new account, as a result of a failure in the switching process will be refunded when you bring this to your new bank or building society's attention.

Will switching my current account affect my credit rating?

No, providing you repay any outstanding overdraft(s) on your previous account(s) as required by your old bank or building society. If there are any problems with payments (as part of the switching process) your new bank or building society will correct them and ensure your credit rating is not affected.

Can I switch my current account if I am overdrawn?

Yes, and your new bank or building society may be able to provide facilities to help you pay off any arranged or unarranged overdraft, subject to their normal lending criteria. If this isn't the case you must make separate arrangements to repay your old bank or building society what you owe.

What if I change my mind?

You can cancel your switch up to seven working days before your switch date. After that only certain elements can be cancelled. Your new bank or building society will guide you through this process if you choose to do this.

When will the money in my old account be transferred to my new account?

You will be able to access the funds in your old account up to and until your switch date when they will be transferred to your new account.

Do all Banks and Building Societies offer the same Current Account Switch Service?

High Street banks and building societies and Internet and Telephone banks that display the 'Current Account Switch Guarantee' Trustmark will offer the Current Account Switch Service. You can find a list of participating organisations at www.currentaccountswitch.co.uk.

What type of accounts can I switch using the Current Account Switch Service?

The Current Account Switch Service is for current accounts only. If you would like to switch other account types, such as a savings account, you will need to ask your new bank or building society if they are able to help you do this.

What happens to any debit card payments that I have asked my old bank to stop?

The Current Account Switch Service should not interfere with this process and any debit card payments that you have asked your bank to stop should remain so after your switch.

What does the Current Account Switch Guarantee mean?

The Current Account Switch Guarantee ensures your current account will switch on a day of your choice, your payments will be automatically transferred and redirected to your new account, and in the unlikely event anything goes wrong with your switch, we will refund any interest and charges (incurred on your old or new current accounts) as a result of this failure as soon as it is brought to our attention.
