2. Annual equivalent rate (AER) illustrates what the interest rate would be if interest was paid and added each year.

3. Tax Free rate of interest is the rate payable, under current legislation, where interest is exempt from income tax. (Your tax benefits will be lost if your ISA ceases to be tax exempt).

The accounts shown in this leaflet will only be available for limited time. Issues of ISA Cash Fixed Term Accounts may be withdrawn by us at any time without prior notice and may be replaced by future issues of ISA Cash Fixed Term Accounts at higher or lower rates than those shown in this leaflet. Once an issue has been withdrawn no further deposits will be accepted.

This leaflet should be read in conjunction with the following leaflets which are available from our branches: Savings Accounts & Interest Rates; ISAs; Savings and Current Account Terms & Conditions

Fixed Interest Fixed Term Accounts are investments with interest rates guaranteed to remain fixed for the term of the investment.

These accounts are not suitable for you if you think that you may need access to your money before the end of the Fixed Interest Fixed Term period.

Before opening an account, we believe it's important to establish your requirements, so that we can be sure we are able to offer the services you require and open the most appropriate account for you. To discuss your requirements, simply call into any Cumberland branch where our staff will be pleased to help you. If you are unable to call into a branch personally, please contact us on 01228 403141.

New customers must live within our operating area to open an account. Unless you have an account with us already, we are required by law to ask you to provide identification (such as a passport or full UK photocard driving licence) and proof of where you live (such as a recent original paid gas or electricity bill). We may also verify your identity and address by making searches about you at credit reference agencies who supply us with information, including information from the Electoral Roll. These steps are necessary to help protect against fraud and money laundering. We appreciate some customers may not be able to produce the above items of identification. Additional forms of identification and address verification are required from new customers who are unable to visit a branch. Further details of alternative acceptable identification and proof of address can be obtained from our Customer Service helpline on 01228 403141 or any Cumberland branch.

The accounts referred to in this leaflet are share accounts and are available to people investing on their own behalf or on behalf of another person, or deposit accounts available to firms of solicitors investing in their name on behalf of clients. Only existing share account holders are members of the Society with voting rights.

Cheques credited to ISA Cash Fixed Term Accounts will earn interest from the second Society working day following the date of deposit. Society working days exclude Sunday and English Bank Holidays. For example, a cheque paid in on a Monday will earn interest from the Wednesday. Special arrangements apply to non-sterling cheques and cheques

drawn on institutions outside the UK. Details are included in the Charges for Account Services leaflet available from any Cumberland branch or from our website.

We are covered by the Financial Ombudsman Service. We have an internal complaints procedure to help resolve any problems you may have concerning the operation of your account. Further details are available from any Cumberland branch.

You may transfer funds from another Cash ISA, providing only one Cash ISA is paid into/opened during the current tax year. You may already have an ISA Cash Fixed Term Account opened in a previous tax year which has been withdrawn from sale. You can open another ISA Cash Fixed Term Account as long as this is the only Cash ISA you are paying into during the current tax year which ends 5 April. Each tax year, which starts on 6 April, you get a new ISA allowance. For the current tax year, the ISA allowance is £20,000.

We must receive your completed application and opening deposit (or ISA transfer instruction) within 14 days of your appointment. Any applications, supporting documents or account opening deposits/ ISA transfer instructions received after this time may not be processed if our rates or products have changed. If any accounts remain unfunded after 14 days, they may be closed.

## CAN I SWITCH MY ISA TO THE CUMBERLAND?

Yes. We will normally accept the transfer of a Cash ISA from another ISA provider, subject to ISA regulations.

## NEW AND EXISTING INVESTORS

**The Society requires new investors to agree to assign any possible future windfall rights, in the unlikely event of conversion to a bank or a takeover, to a charitable foundation. Full details are set out in the Society's new account application form.**
