How do I open and manage my account?	This account is available to open at any Cumberland branch, for customers aged 16 or over, who live in our operating area. Additional subscriptions can be made (up to the maximum limit of £20,000) during the tax year or until such time as a specific ISA issue is closed to further subscriptions. At any point and without notice, we may close a specific ISA issue to new subscriptions, after which no new or additional subscriptions would be allowed into that issue of fixed ISA. Your ISA Cash Fixed Term Account will mature at the end of the agreed investment term. Shortly before the end of the fixed investment term we'll contact you with details of the options you can take on maturity, one of which may be to extend your investment for a further fixed term. You'll be able to withdraw your investment or transfer to an alternative account without penalty on the maturity date, provided you tell us on or before this date. If we receive no instructions on or before the maturity date, and a further ISA Cash Fixed Term Account is available, your investment will be automatically rolled over into such an account on the terms and conditions applying to that account, a copy of which will be supplied before the maturity of your existing account. It's therefore important that you let us have your instructions, on or before the maturity date. No bonus payment applies to this account. - Fixed Interest Fixed Term Accounts are investments with interest rates guaranteed to remain fixed for the term of the investment.
- These accounts are not suitable for you if you think that you may need access to your money before the end of the Fixed Interest Fixed Term period.
- Before opening an account we believe it's important to establish your requirements, so that we can be sure we are able to offer the services you require and open the most appropriate account for you.
- To discuss your requirements, simply call at any Cumberland branch where our staff will be pleased to help you. If you are opening a joint account you should both visit the branch. If you are unable to call into a branch to open an account personally, please contact us on 01228 403141.
- We don't accept new accounts from new customers who live outside our branch operating area. Some restrictions may also apply to new accounts available to existing customers who live outside our branch operating area. Existing customers should call 01228 403141 for further information.

Unless you have an account with us already, we are required by law to ask you to provide identification (such as a passport or full UK photocard driving licence) and proof of where you live (such as a recent original paid gas or electricity bill). We may also verify your identity and address by making searches about you at credit reference agencies who supply us

with information, including information from the Electoral Roll. These steps are necessary to help protect against fraud and money laundering. We appreciate some customers may not be able to produce the above items of identification. Additional forms of identification and address verification are required from new customers who are unable to visit a branch. Further details of alternative acceptable identification and proof of address can be obtained from our Customer Service helpline on 01228 403141 or any Cumberland branch.

The accounts referred to in this leaflet are share accounts and are available to people investing on their own behalf or on behalf of another person, or deposit accounts available to firms of solicitors investing in their name on behalf of clients. When opening a joint account, you will be asked to choose whose name appears first on the account.
