

# Changes to charges on our personal current accounts

The following changes which came into effect 9 April 2020 will be extended up to 31 October 2020.

- The authorised and unauthorised interest rate for all our personal current accounts will continue at 0% up to 31 October 2020.
- The £2 underfunding charge, which applies to some of our personal current accounts will be waived from April to October 2020.

If you require any further information on our personal current accounts, visit our website ↓
